ORDER

LEWIS J. LIMAN, United States District Judge:

The Court will hold a telephonic conference on January 3, 2022, at 1:00 p.m. regarding Plaintiff's application for a temporary restraining order and preliminary injunction. The parties are directed to use the Court's teleconference line at 888-251-2909, Access Code 2123101.

The parties are directed to meet and confer in advance of the conference with respect to redactions of filings as to which a motion to seal has been filed in anticipation that at the Monday conference the Court will direct the parties expeditiously to file a more narrowly tailored motion to seal limited to that information within documents that satisfies the *Lugosch* standard, 435 F.3d 110 (2d Cir. 2006), and that would not involve the filing of any entire documents (whether agreements or emails) under seal.

SO ORDERED.
